SMALL & SNOTTY TO TALL & SPOTTY -The DIGITAL TATTOO

Presented at Forrest Primary School, Forrest

Invitation to Community/Parents/Carers Tuesday 26th July - 6.30pm

Our children will grow up to do jobs that may not exist yet, solve problems we are yet to face using devices we can only dream about- whilst the knowledge is always changing the conversations remain the same. Our children do well when schools and families work in partnership, this presentation is a great opportunity to explore the online world through the lens of our students as a community- we will look at what can go wrong and strategies to avoid the pitfalls but we will also celebrate what can go right and the learning doors that can be opened when families have strong plans around the use of technology in their families.

Presenter **Leigh Bartlett** has a background in education, wellbeing, sports coaching and has practiced the content on a few kids of her own. Leigh has presented over 60 parent education sessions and truly believes that the best youth work DOES happen when we log on with our kids early.

RSVP to forrest.ps@edumail.vic.gov.au or phone: 5236-6393

Book Club Orders due Friday 29th July.

We will travel to Alvie Consolidated School on Tuesday 2nd August for a group day.
We will be departing Carlisle River at 8.45am.

Have a great week
Mr Jeff Douma
